2011 marks the 20th year that Partners in Prevention was formed as a community coalition.

As Partners in Prevention has grown and developed over the last 20 years, we have "outgrown" our mission statement. As a result, a new vision and mission statement has been created to better reflect the purpose of Partners in Prevention in the community.

Vision: A transformed community.

Mission Statement: Partners in Prevention addresses community barriers by inspiring hope,

connecting partners, and building trusting relationships that transform lives.

The Longview City Council selects members of the Partners in Prevention Steering Committee to provide guidance to staff about programming, approve expenses, and serve as advocates for community initiatives. Through involvement of the entire community, we are working to create an environment in which young people can grow up healthy, responsible and drug-free.

In partnership with various sectors of the community, including: schools, businesses, faith community, youth serving organizations, law enforcement, media, parents, and many others, Partners in Prevention supports the Coalition for Drug-Free Youth, Circles of East Texas, Forever Friends and Co-Pilots Mentoring Program, Race Relations Committee, Youth Action Committee, Youth Recreation Program, and participates and sponsors/co-sponsors annual events such as Red Ribbon Week and Texans Against Crime.
